

Chalet Meringue

Designer ski chalet with jacuzzi and piste views

Relax in your jacuzzi, watch the action on the pistes or wander into the village for a meal!

About Chalet Meringue ...

The fabulous Chalet Meringue ticks all the boxes for large groups - families, friends or corporate trips. It sleeps 15, and can be booked with [Chalet Macaron](#) next door to accommodate a group of up to 26 comfortably.

We've worked with the owners on their other properties and know this one will be just as successful. With amazing views over the pistes at Chinaillon, it has been designed to be the perfect base for an Alpine holiday, whatever the season.

It's just a short walk from the village, where you can pick up fresh croissants for breakfast or enjoy a delicious Savoyarde meal in the evening. The pistes are just 800m away (the ski bus stops at the end of the drive) so you won't need to get the car out once you're here.

Our partner shop Rêves d'Hiver can deliver your skis to the chalet, come to the property to help you choose your equipment or even pick you up and drive you to their shop to benefit from their professional advice. Discounts and free ski store available.

This very special property is sure to be in big demand, so if you're interested, book now. You can't afford to hang around!
